

[illegible]

Technical drawing of a stepped shaft. The shaft has a total length of 15 units. The diameter of the leftmost section is 12 units. The diameter of the rightmost section is 3 units. The distance between the centerlines of the two sections is 2,5 units. The distance from the right edge of the shaft to the centerline of the rightmost section is 3 units.

Technical drawing of a rectangular plate with two circular holes. The plate has a width of 150 mm and a height of 150 mm. The holes have a radius of R6. The center of the bottom hole is 75 mm from the left and bottom edges. The center of the top hole is 75 mm from the right and top edges. Red arrows labeled 'B' indicate the width and height dimensions.

A diagram showing a red vertical line with an arrowhead pointing downwards, labeled with a red 'A' to its left. This represents a downward force vector.
